LANCER BASKETBALL

“Building a Strong Tradition”

The Junior Lancer Basketball Committee would like to invite all future Lancer basketball players to our first “official” spring tournament season. It is a great opportunity for our area grade school students to continue their growth and knowledge of the game of basketball while interacting with future classmates.

Details

- The program is open to any student of the Manitowoc Lutheran High School Federated Congregations grades 5-8 that has an interest in attending MLHS.
- The cost will be \$100 (non-refundable) per player to offset the cost of jerseys, 4 -5 tournaments, and a warm up shirt.
- Player/parent information meeting to be held at the MLHS gym on January 10, 2009 at 6:00.
- Player evaluation practice will be held on January 17, 2009 in the afternoon (specific times will be e-mailed out)

- Regular Practices to be determined.
- The season ends late April.
- E-mail will be the primary source of communication for all updates. (Practice/ Game changes, weather cancellations, etc.)

Program Expectations

This program seeks to aid a smooth transition from grade school basketball to Manitowoc Lutheran High School Basketball while building relationships with future classmates from other grade schools.

The Junior Lancers program is very committed to its tag line of “Building a Strong Tradition”. Part of this means a commitment from students and parents as well as coaches. Players will be expected to attend scheduled practices and commit fully to them.

A positive learning experience is guaranteed for participants, playing time is not. Each player will play in all games, but those that consistently attend practice, give 100%, and show an advanced understanding of new concepts will deservedly play more. The coaches will provide each player with an opportunity to excel.

Christian behavior will be insisted upon from all players, parents, coaches, and committee members.
